Member's Participation Diary

Name:

Club

Lic. No.

Use of this Diary is not mandatory but may assist in keeping track of your attendances. The Association feels it is in your interest to record attendances when you compete at another club and that you should provide this information to your Principal for the Club's annual reporting requirements to Police. Recording the Supervisor's name is not mandatory, but may be of assistance to the Supervisor when claiming credits for such activities.
